

Glød Explorer

Trygve Nygård (front left) is the owner and general manager of Glød. He was born and brought up in the Alta region and counts amongst his outdoor achievements completing the 'Norge rundt' (Tour of Norway), a 3500 kms cycle journey around Norway, the Offroad Finnmark, a 700 kms mountain biking race, skiing the full length of Norway from Lindesnes in the south to North Cape and skiing the length of Spitsbergen. Phew! Needless to say a guide of this calibre likes to work alongside likeminded equally well-qualified people and you will find all the guides at Glød with their own 'outdoor-challenge' stories to tell. We like Trygve, but perhaps more telling is that so do all the other local (and some not so local) suppliers that we have met – that says a lot.

Glød, meaning 'glow' in English, was founded in 2005 and are an outdoor adventure company whose aim is to bring you closer to nature, whatever the experience – Aurora hunting, snow-shoeing, ice-fishing or moose watching. They are an enthusiastic team of people and we know they will ensure you have lots of fun and great memories to take home.
